Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

A Notice of Allowance issued February 13, 2006, requiring the issue and publication fee to be paid by May 15, 2006. Such fees were not timely filed and the application is thus considered abandoned.

The entire delay in failing to timely pay the issue fee from the time due to the present was unintentional.

Attached hereto is the Part B - Fee Transmittal, Power of Attorney to Prosecute Applications Before the USPTO (Form PTO/SB/80), Statement Under 37 CFR 3.73(b) (Form PTO/SB/96) and authorization to charge the issue fee of \$1,400, publication fee of \$300 and the cost of this petition of \$1,500 is authorized to be charged to the Deposit Account of Barnes & Thornburg LLP 10-0435 under docket 29766-69968.

Accordingly, it is requested that the application be revived and the late acceptance of the issue and publication fee be accepted.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Jeffrey A. Michael", is written over a horizontal line.
